Medical Assisting

Degree Program

MA23

Program Description

The Medical Assisting degree program prepares students for employment in a variety of positions in today's medical offices. The Medical Assisting program provides learning opportunities which introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of medical assisting

Program Specific Information

Students are accepted every semester based on course and space availability.

Medical Assisting is a full-time, day classes-only program.

Core, BIOL, ALHS, and COMP courses must be completed with a minimum GPA of 2.5 before beginning MAST courses. Students must complete ALL MAST COURSES with a grade of C or higher in order to graduate.

All courses must be completed prior to enrolling in MAST 1170 *Medical Assisting Externship*.

Additional Admissions Requirements

Criminal background checks and drug screens are required for participation in clinical experiences.

Transfer students who have completed an MA diploma elsewhere need to have graduated from a regionally accredited institution and from a CAAHEP or ABHES accredited medical assisting program. These students must also provide evidence of current CMA Certification through the American Association of Medical Assistants.

Program Length & Availability

6 Semesters

Campus Availability: Oakwood, Forsyth, Barrow

Admissions Requirements

- Must be 17 years of age.
- High school diploma or GED is required prior to admission.
(Official transcripts or GED scores must be submitted from all colleges and/or high schools attended for credit.)
- ACCUPLACER Testing, or submit SAT, ACT, CPE, COMPASS, or ASSET test scores.

Financial Aid

This program is eligible for the Pell Grant and may be eligible for Institutional and State Financial Aid. Contact a Financial Aid Counselor for eligibility requirements and application materials.
