Program Description

The Advanced Emergency Medical Technician technical certificate of credit covers both the U.S. Department of Transportation 1985 Emergency Medical Technician-Intermediate Curriculum and the 1994 Emergency Medical Technician-Basic Curriculum. The Advanced EMT Program is designed to provide additional training and increased knowledge and skills in specific aspects of advanced life support above the basic level. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians Advanced EMT/85 certification examination and receive Georgia licensure as an Advanced EMT.

Program Specific Information

See Program Webpage for specific program entrance requirements. EMSP courses begin Fall Semester. Contact Program Advisor for specifics. ALHS 1011 and ALHS 1090 must be completed before taking any EMSP courses.

Licensure Information

Upon successful completion of the AEMT technical certificate of credit, students may be able to sit for the National Registry of Emergency Medical Technicians (NREMT) AEMT certification examination. <http://www.nremt.org/>

After successful completion of the NREMT examination for AEMT, students may apply for Georgia state licensure through the State Office of Emergency Medical Services and Trauma (SOEMST). <http://ems.ga.gov/>
