Dear Student:

Lanier Technical College uses a selective admission process to enroll students for the Surgical Technology program.

The following criteria must be met for selection to the Surgical Technology program:

1) Students must have a cumulative average of 2.5 on the following prerequisite courses taken at Lanier Tech: English 1010, Math 1012, Psychology 1010, SCT 100 (Intro. To Microcomputers) and AHS 1011, AHS 104, and AHS 109, or have a cumulative overall average of 2.5 on all previous college courses (AHS courses must be completed within two years of acceptance into the program).

2) Students applying for the Surgical Technology program will be initially admitted into the Healthcare Assistant Certificate program in order to complete the required developmental and/or core courses for their program of study.

3) Students must take the NLN pre-admission test after they have been institutionally accepted. Priority for selection will be given to the students with the highest NLN composite percentile scores. Students must score at a minimum of the 75th composite percentile to be considered. There is a $40.00 fee required to take the test. Students will not be allowed to take the NLN test more than three (3) times, and test scores will be obsolete after three years.

4) An interview with the program faculty, and GPA will also be considered as part of the selection process.

Students who meet the above criteria will be accepted for admission to the Fall Semester 2011 program depending upon space availability and date of application completion.

Students must complete all the core courses and take the NLN exam to be considered for Surgical Tech acceptance. Transfer students must submit a transfer of credit evaluation form to the Registrar’s Office and have all transfer of credit issues finalized at least one full quarter prior to the quarter in which they are seeking admission. Transfer of credit will not be done on the day of registration. On the day of registration you will meet with your advisor to discuss additional program requirements.

To apply for the NLN test, submit your name along with the $40.00 exam fee to the Lanier Tech Office of Instructional Services (Bldg. 100, Office 103) by the appropriate registration deadline. NLN fees will be accepted only by the Office of Instructional Services, and will not be accepted after the deadline. You must present a photo ID at the testing session in order to be allowed to test. For more information regarding the NLN test, contact Mari Lynn Burdeshaw at 770.531.6422.

The following is the NLN test schedule for the 2010-2011 school year:

<table>
<thead>
<tr>
<th>Test Date</th>
<th>Time</th>
<th>Location</th>
<th>Campus</th>
<th>Registration Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>March 31, 2011</td>
<td>9:00 am</td>
<td>Bldg. 300 Rm 301</td>
<td>Oakwood</td>
<td>March 3, 2011</td>
</tr>
</tbody>
</table>

For more information concerning the Surg Tech selection process, please contact Mike Marlowe at (770) 531-6332.

*If a physical handicap or learning disability prevents you from taking the exam under standard conditions, you may request special testing arrangements by contacting Mari Lynn Burdeshaw at least eight weeks before the desired test date.
