Business Studies Degree

The Business Studies program is designed to provide skills for graduates to work with both private and public agencies in various areas of business. It is for students who have completed the required courses for a diploma in the business areas (Accounting, Banking and Finance, Business Office Technology, Management and Supervisory Development, Marketing Management or any business program to be offered by Lanier Technical College in the future). Graduates of this program will receive a Business Studies Associate of Applied Science Degree. This program is offered by the Business Studies (BS) department.

Availability

Students are accepted every quarter based on course and space availability. This program offers day, evening and online classes at the Oakwood, Forsyth, Jackson and Winder-Barrow Campuses.
