Dear Student:

Lanier Technical College uses a selective admission process to enroll students for the Practical Nursing program.

Students who meet the above criteria will be accepted for admission to the Oakwood and Forsyth programs depending upon space availability and date of application completion.

Students must complete all the core courses and take the NLN exam to be considered for Practical Nursing acceptance. **Transfer students must submit a transfer of credit evaluation form to the Registrar’s Office and have all transfer of credit issues finalized at least one full semester prior to the semester in which they are seeking admission.** Transfer of credit will not be done on the day of registration. On the day of registration you will meet with your advisor to discuss additional program requirements.

To apply for the NLN test, submit your name along with the $50.00 exam fee to the Lanier Tech Department of Economic Development (Bldg. 500). **NLN fees will be accepted only by the Department of Economic Development.** You must present a photo ID at the testing session in order to be allowed to test. For more information regarding the NLN test, contact Denise Freeman, 770.533.6990 or dfreeman@laniertech.edu.

The following is the NLN test schedule for Summer semester 2015:
