GALILEO

The following databases and journals are available online through GALILEO. Off-campus access requires a **password**, which may be picked up at the library each semester, or requested by e-mailing your name and ID # to ksummey@laniertech.edu

Recommended Databases:

[Career and Technical Education](#) (ProQuest)

Includes several hundred full-text vocational titles.

[Consumer Health Complete](#) (EBSCOhost)

A comprehensive resource for consumer-oriented health content, including full text from many health reference books and encyclopedias and thousands of health reports as well as physician-generated videos and hundreds of medical images and diagrams.

[MedicLatina](#) (EBSCOhost)

Provides access to the full text for more than 140 peer-reviewed medical journals in native Spanish. The majority of full-text titles are available in native (searchable) PDF or scanned-in-color.

[MedLine](#) (EBSCOhost)

Provides authoritative medical information on medicine, nursing, health care system, pre-clinical sciences, and much more.

[Merck Manual](#)

The standard medical reference sources for over 100 years providing detailed information on virtually all disorders, complete with discussion of symptoms and current therapy.

[Nursing and Allied Health Source](#) (ProQuest)

Provides users with reliable healthcare information covering nursing, allied health, alternative and complementary medicine, and much more.

[Salem Health](#)

State-of-the-art online reference source for medical information.

Sample Full-Text Journals on GALILEO:
