

Lanier Technical College

Interlibrary Loan (ILL)

Borrow Form

Interlibrary Loan is a service to LTC students, faculty and staff. The process can take up to a few weeks. When the material arrives, it is processed; you are notified via telephone or email; and the material is held for you at the LTC campus of your choice. All books are due two weeks from the date they arrive in the library regardless of when you actually pick them up. Books may or may not be renewed, depending upon the policies of the lending library.

To obtain interlibrary Loan services, you must be a registered LTC Library borrower in good standing
