

Nursing and Allied Health Resources:

Articles:

[GALILEO](#) provides **online access** to thousands of articles. To find nursing and allied health-related articles, start with these GALILEO databases:

-  [Health Source: Nursing/Academic Edition](#) – articles for nursing and allied health professionals
-  [Proquest Nursing Journals](#) – more articles from journals in nursing and allied health
-  [Alternative Health Watch](#) – articles on complementary, holistic, and integrated approaches to health
-  [Consumer Health Complete](#) – images, fact sheets, comprehensive health information, especially good for individual health problems
-  [Merck Manual](#) – standard medical handbook of easy to use, reliable information

The LTC Library also subscribes to **print versions** of several periodicals in this subject area.

Books:

[Find books](#) in the library catalog. From the catalog, put “nursing” or “medical assisting” in the search box, or click on [SEARCH](#) and enter any additional search term to focus the search.

Books can also be found by browsing the library’s shelves. Most of the Nursing and Allied Health books have a call number starting with R.

Some Good Websites:

- [National Library of Medicine](#) – portal of the world’s largest medical library, with links to PubMed, Medline Plus, and more
- [Mayo Clinic](#) – consumer health news, information and disease management tools
- [National Center for Health Statistics](#) – health statistics from the CDC
- [National Institutes of Health](#) – general health information, resources for health-related research from the U.S. Department of Health and Human Services
- [World Health Organization Fact Sheets](#) – health and wellness information

Associations:

- [American Medical Association](#)
- [American Association of Medical Assistants](#)
- [American Nurses Association](#)
- [American Public Health Association](#)
- [American Dental Assistants Association](#)
- [American Dental Hygienists’ Association](#)
- [American Clinical Laboratory Association](#)
- [American Paramedic Association](#)
- [National Federation of Licensed Practical Nurses](#)
- [American Society of Radiologic Technologists](#)
