## Math Multiplies Opportunities Celebrates Everyday Math at the LTC Spring Carnivals

Students, Staff, and Faculty were asked to share how they use math in their everyday lives. Participants wrote their ideas on post-it notes and received a free MMO Highlighter. The post-it filled posters are now on display at your campus Student Success Center. Visit your math tutors and check it out!

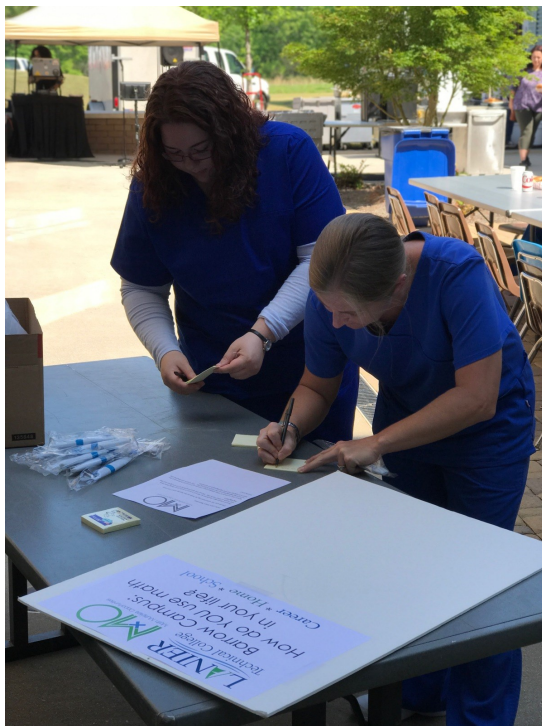

### Who's your favorite tutor and why?

If you have a favorite math tutor or have had a positive experience at your campus Student Success Center, please email [qep@laniertech.edu](mailto:qep@laniertech.edu).

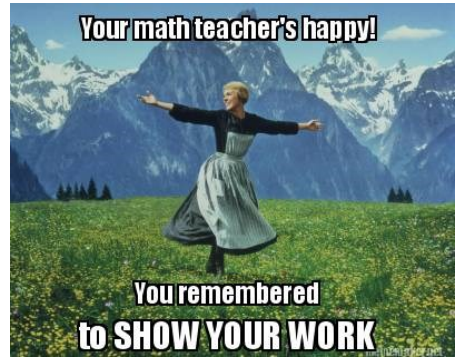

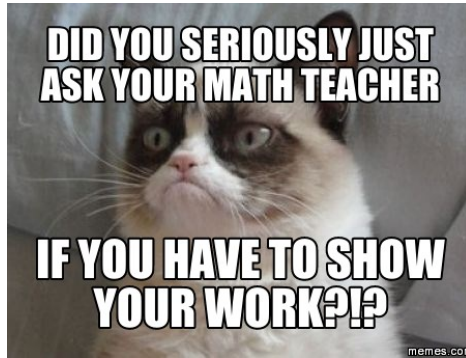

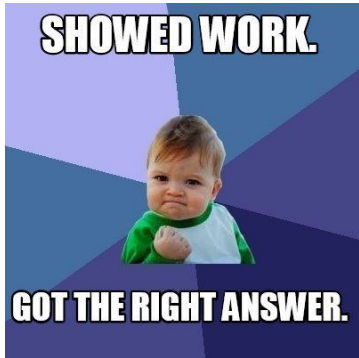

Tell us who was your tutor and why you had a positive experience.

Please note: Your story might be shared in a future edition of this newsletter.

Thanks!
