Confidence is Multiplying!

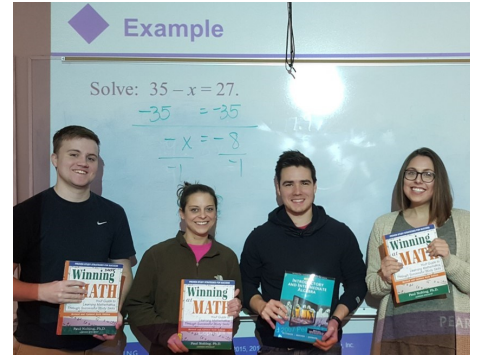

Here's what students are saying about Mrs. Baker's MATH 0090 B & Q classes at the Forsyth Campus:

"This class is less stressful than the old MATH 0090."
-Caleb Thomas, Physical Therapy Assistant Student

"I really feel like I'm getting the basics!"
-Tiffanie Thomas, Dental Hygiene Student

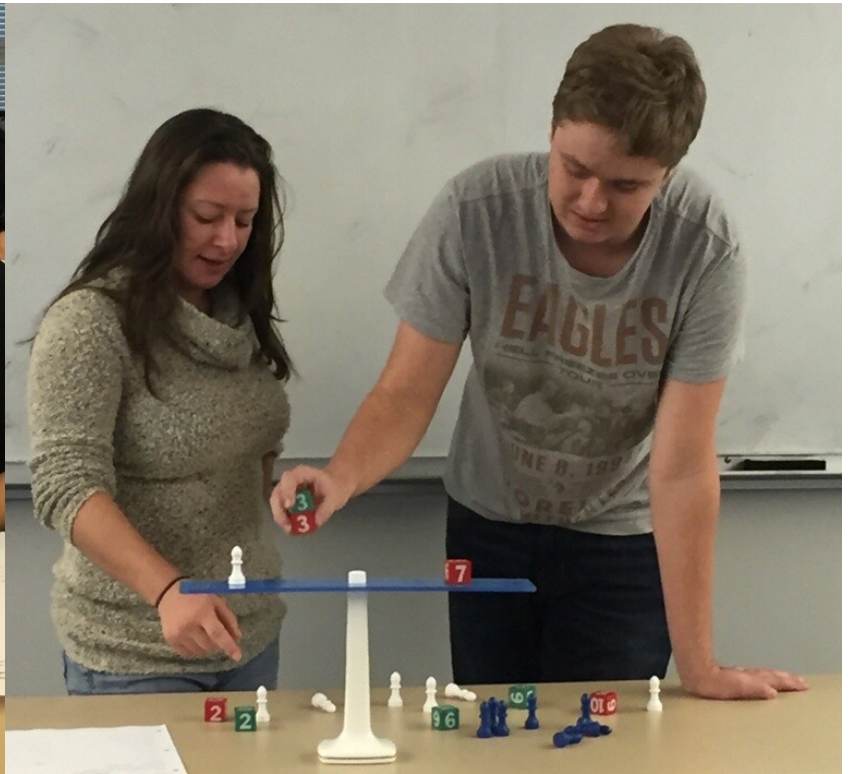

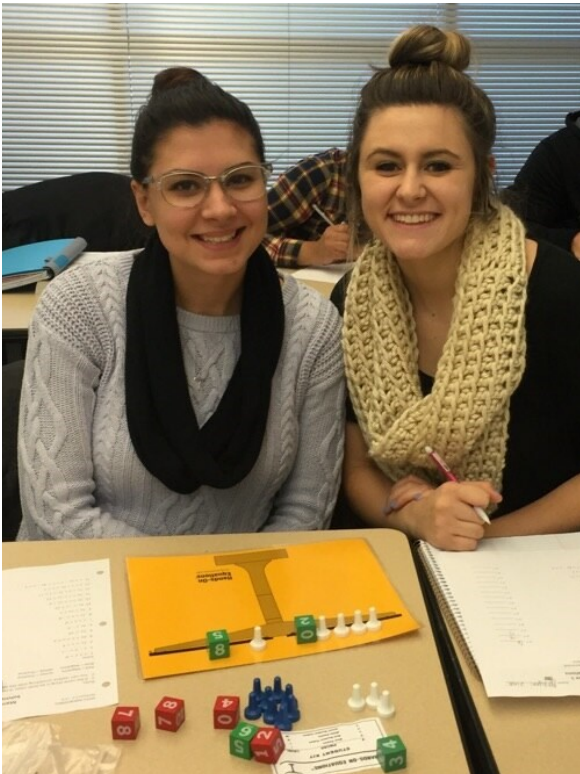

"I really like the textbook, Winning at Math."
-Christian Boles, Health Science Student

"Mrs. Baker is so patient, I enjoy her teaching style."
-Andrea Larker, Interiors Student

MMO PROVIDES HANDS-ON LEARNING!

Jade McSpadden, Ashlynn Zink, Jennifer Loumakis, and Carter Cassel are solving algebraic equations using interactive math manipulatives in Lanier Tech's MATH 0090Q.

Solve the MMO Puzzler:

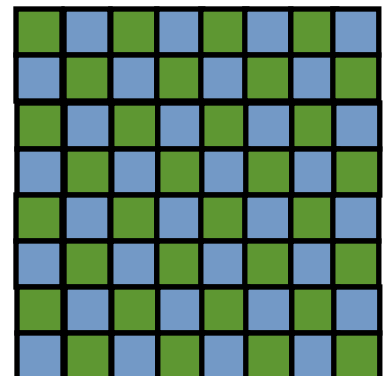

How many squares are on a chess board?

Email your answer to qep@laniertech.edu by February 15, 2016

A winner will be chosen at random from all correct answers submitted.

What's the prize? Bragging Rights!

The winner's name will be announced here in next month's MMO Monthly!
