Degree, Diploma, or Certificate

Lanier Technical College offers three levels of credit programs: Associate Degrees, Diplomas, and Technical Certificates of Credit. The main differences between these types of programs are the number of subject areas covered and the amount of time required to complete them.

Financial Aid

The Georgia HOPE Grant pays the majority of tuition for students who enroll in diploma and certificate programs at Lanier Technical College. The Georgia HOPE Scholarship helps students fund partial tuition for our Associate Degree programs.

The Georgia HOPE Grant and the Georgia HOPE Scholarship do not cover fees or textbooks. GPA requirements are required to maintain both the Georgia HOPE Grant and the Georgia HOPE Scholarship.

Other Sources of Financial Aid

• Federal Pell Grant
• HOPE Scholarship for degree-seeking students
• Education benefits for veterans and their dependents
• Other need-based aid programs
