Library Materials Request Form

Please list any book, electronic resource, or audio-visual material you would like the library to evaluate for purchase. You can leave any column blank if you don't have the info. All material will be considered with due diligence and highest priority will be given to LTC faculty, student, and staff requests. Please either give the form to your campus librarian or email the form to kthompson@laniertech.edu. Thanks for your input into the library's collection. — Kathryn Thompson
