

January 26, 2024

Mr. Tim McDonald
President
Lanier Technical College
2535 Lanier Tech Drive
Gainesville, GA 30507

Dear Mr. McDonald:

Thank you for submitting the following substantive change:

Substantive change:

Program Closure

Technical Certificate of Credit (TCC) in Advanced Manufacturing Technician I

Submission date:

10/30/2023

Intended Implementation date:

8/14/2023

Case ID:

SC024025

Please note the *SACSCOC Substantive Change Policy and Procedures* requires that a teach-out plan should be submitted for review and approval prior to the closure of a program, which SACSCOC considers to be the date when the institution no longer admits students to the program.

There are no students currently enrolled in the program. Therefore, there are no students to notify of the closure, and no students are impacted. Likewise, no arrangements for students' completion of study are required.

Faculty were informed of the closure by the Academic Dean of the Advanced Technology and Engineering division, and staff were informed of the closure by the Vice President of Student Affairs. Copies of notifications were included, and direction to remove the program from the on-line application was noted. Current faculty will continue to teach in other academic programs within the Welding and Joining Technology program group

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the late closure of the Technical Certificate of Credit (TCC) in Advanced Manufacturing Technician I.

Should you need assistance, please contact Dr. Denise Y. Young at (404) 492-5386 or via email at dyoung@sacscoc.org.

Mr. Tim McDonald
