Commission on Colleges

Dear Dr. Wheelan:

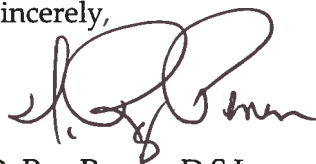

This letter is to notify the Commission that Lanier Technical College plans to offer two new technical certificate of credit programs, which are repackaging of existing curriculum: Automotive Collision Repair Assistant I and Automotive Collision Repair Assistant II, beginning May 2017, at our main (Oakwood) campus.

One hundred percent (100%) of the 12-hour Automotive Collision Repair Assistant I program is currently offered as part of Lanier Tech's Automotive Collision Repair diploma program; 76% of the 17-hour Automotive Collision Repair II program is offered in the diploma.

Please respond with a letter indicating the Commission's judgment regarding LTC offering this program at our main campus.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
