February 29, 2016

Dr. Belle Wheelan
Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

This letter is to notify the Commission that Lanier Technical College plans to begin offering two technical certificate of credit programs to "Move on When Ready" (i.e. dual enrollment) students at Lanier Charter Career Academy which serves high school students enrolled in the Hall County Georgia school district. We plan to begin offering the programs in August 2016.

Although no Lanier Technical College students are currently enrolled at Lanier Charter Career Academy, it is currently an approved off-campus instructional site for Lanier Technical College. The site is located at:

2723 Tumbling Creek Road
Gainesville, Georgia 30504

The proposed program offerings are:

- Bilingual Customer Service Specialist TCC
- Graphic Design & Prepress Technician TCC

The Bilingual Customer Service Specialist TCC and Graphic Design & Prepress Technician TCC are approved programs currently offered by Lanier Tech.

Please provide a response indicating the Commission has accepted this letter of notification. If you have any questions, or if you believe the Lanier Tech needs to take any further action, please contact our COC liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or 678.341.6640.

Sincerely,

D. Ray Perren, D.S.L.
President
