Dear Dr. Wheelan:

Please be informed that Lanier Technical College plans to begin offering its Bilingual Customer Service Specialist technical certificate of credit program at Early College @ Jones, an approved off-campus instructional site, beginning August 2017.

This expansion of program offerings is in response to a request from the Hall County School District, which has agreed to assist LTC in identifying interested Move on When Ready (dual enrollment) students and providing school buses as needed.

Please respond with a letter indicating the Commission's judgment regarding LTC offering this program expansion.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,
