Dear Dr. Wheelan:

Please be advised that at its June 2020 meeting, the State Board of the Technical College System of Georgia approved for Lanier Technical College to terminate a previous version of the college's Certified Nursing Assistant technical certificate of credit program. This program (major code CN21) has been replaced by a revised program (major code NA31), which was approved by the Commission in July 2019. This termination will be effective spring semester 2021.

No students are enrolled in the retired program.

Please respond with a letter indicating the Commission's acknowledgement of this program termination.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
