Dear Dr. Wheelan:

Lanier Technical College plans to offer a CNC Technology diploma-level program at our main (Oakwood) campus, beginning January 2017.

The proposed program is a repackaging of courses currently offered in our Machine Tool Technology AAS degree program: 100% of the semester hours in the proposed CNC Technology diploma are currently offered as part of existing curricula.

Please respond with a letter of notification indicating the Commission's judgment regarding this proposed program addition.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at [jtolleso@laniertech.edu](mailto:jtolleso@laniertech.edu) or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
