Dr. Belle Wheelan
Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

I hope this letter finds you well.

Please be advised that Lanier Technical College plans to begin offering our Cisco Network Specialist technical certificate of credit program at our Hall (main) and Barrow campuses, in the fall semester of 2021. Both the program and the site have previously been approved by the Commission.

Students in the program will connect to servers at Lanier Technical College's data center to complete hands-on lab exercises, as do students at all of the college's campuses and instructional sites. Thus, no additional equipment will be required. Please provide a letter of acknowledging this notification.

Should you have any questions or require more information, please contact me, or our liaison to the Commission, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or 678-341-6640.

Sincerely,

Tim McDonald, M.B.A.
Interim President
