Office of the President

March 15, 2021

Dr. Belle Wheelan
Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

I hope this letter finds you well.

Please be advised that Lanier Technical College plans to begin offering our PC Repair & Network Technician and Cisco Network Specialist technical certificate of credit programs at the Sims Academy, in the fall semester of 2021. Both the programs and the site have previously been approved by the Commission.

Computer equipment suitable for delivering these courses is available at Sims facility. As needed, students in the Cisco courses will connect to routers in the LTC data center at the main (Hall) campus, which is the same practice used for networking classes on all LTC campuses. Please respond with a letter acknowledging this notification.

Should you have any questions or require more information, please contact me, or our liaison to the Commission, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or 678-341-6640.

Sincerely,

Tim McDonald, M.B.A.
Interim President
