Dear Dr. Wheelan:

Please be advised that Lanier Technical College plans to offer to new technical certificate of credit programs:

- Commercial Project Management TCC
- Commercial Carpentry TCC

These programs wholly consist of courses that are embedded in our existing Associate of Applied Science (AAS) degree in Construction Management.

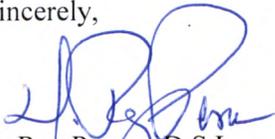

Both programs will be offered at our main campus in Hall County, beginning in the spring semester of 2020. Additionally, the Commercial Project Management will be offered at the Forsyth County Campus.

No additional faculty, equipment, or learning resources will be required to offer these programs.

Please respond with a letter indicating the Commission's acknowledgement of this change.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,
