Commission on Colleges  
1866 Southern Lane  
Decatur, GA 30033

Dear Dr. Wheelan:

Enclosed please find two USB drives containing a prospectus and supporting documentation seeking the Commission's approval for Lanier Technical College to offer a technical certificate of credit program in Computed Tomography at our Hall County Campus beginning January 2019.

This program will be offered by our existing and approved Radiologic Technology department, but it does not consist of embedded curriculum: it is an "add on" award that allows working radiologic technicians to improve their skills and credentials in order to advance in their profession.

The prospectus and an electronic copy of the cover sheet are provided in the top level of the drives; supporting documentation is provided in the folder labeled Appendices. All documents are in PDF format, and the drive is not password protected.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at [jtolleso@laniertech.edu](mailto:jtolleso@laniertech.edu) or (678) 341-6640.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Ray Perren".
