Dr. Belle Wheelan
Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

I am writing to inform the Commission of an approved program (Culinary Arts) being offered at our new main campus in Hall County, which opened in January 2019.

We had composed a letter of notification to the Commission last year, but through administrative oversight, that letter did not go out. So, this letter is being sent to rectify that oversight.

The Commission approved for Lanier Technical College to offer awards in Culinary Arts at the Sims Academy and the Lanier Charter Career Academy in July 2016. The Hall County (main) Campus was approved by the Commission in May 2018.

Awards within the Culinary Arts program group are as follows:

- Culinary Arts AAS Degree
- Culinary Arts Diploma
- Baking and Pastry Specialist TCC
- Catering Specialist TCC
- Culinary Nutrition Assistant TCC
- Food Production Worker I TCC
- Prep Cook TCC

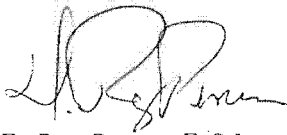

The Hall Campus has a dedicated lab (kitchen) space for this program, and a full-time instructor has been hired as Program Coordinator. Library holdings for the program were purchased based on the Program Coordinator's selections.

Please respond with a letter indicating the Commission's judgment regarding Lanier Technical College offering this program expansion.
