Dear Dr. Wheelan:

Enclosed please find a flash drive containing Lanier Technical College's substantive change seeking the Commission's approval to offer a set of Culinary Arts programs at two high school career academies, one of which is a new site for Lanier Tech. The programs are to be offered at Lanier Charter Career Academy, which is a currently approved site, and at the Sims Academy of Innovation and Technology, a new site adjacent to our Barrow County campus. Our hope is to begin offering the programs in August 2016.

The programs are:

- Culinary Arts AAS Degree
- Culinary Arts Diploma
- Baking and Pastry Specialist TCC
- Catering Specialist TCC
- Culinary Nutrition Assistant TCC
- Food Production Worker I TCC
- Prep Cook TCC

The prospectus and a folder containing supporting documentation are in the top-level directory of the drive, in Adobe Acrobat PDF format.

Please let us know when we may proceed with these programs or if there are any further actions the Commission believes we should take. Should you have any questions, please contact our SACSCOC liaison, Dr. Joanne Tolleson, at jtollerso@laniertech.edu or 678.341.6640.

Sincerely,

D. Ray Perren, D.S.L.
