Dear Dr. Wheelan:

Lanier Technical College plans to offer a Cybercrime Specialist Technical Certificate of Credit program at our Oakwood and Forsyth campuses, beginning January 2017.

The proposed program is a repackaging of courses currently offered in our Criminal Justice and Networking Specialist AAS degree programs: 100% of the semester hours in the proposed Cybercrime certificate are currently offered as part of existing curricula.

Please respond with a letter of notification indicating the Commission's judgment regarding this proposed program addition.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
