Commission on Colleges

Dear Dr. Wheelan:

Please be informed that Lanier Technical College plans to begin offering a Cybersecurity technical certificate of credit program at its Hall, Forsyth and Barrow campuses beginning spring semester 2021.

The new program is a repackaging of existing curriculum: all seven courses in this 26-semester credit hour program are currently offered within the college's Cybersecurity AAS degree program. No additional faculty, instructional resources, or services will be required to deliver the program.

Please respond with a letter indicating the Commission's judgment regarding LTC offering this program expansion.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or (678) 341-6640.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Ray Perren".
