Dr. Belle Wheelan  
Southern Association of Colleges and Schools  
Commission on Colleges  
1866 Southern Lane  
Decatur, GA 30033

Dear Dr. Wheelan:

I hope this letter finds you well.

Please be advised that Lanier Technical College (LTC) plans to begin offering courses from our Design & Media Production Specialist technical certificate of credit program for dual enrollment students at the Lanier College & Career Academy in Hall County, Georgia, beginning in August 2021. The Commission has previously approved both the program and the site.

In discussions with LTC's Program Coordinator for Design & Media Production and the Dean over the Advanced Technology and Engineering, staff from the Hall County School System agreed to work with the LTC Program Coordinator to ensure that all required equipment will be procured prior to program's start date. Please provide a letter of acknowledging this notification.

Should you have any questions or require more information, please contact me, or our liaison to the Commission, Dr. Joanne Tolleson, at [jtolleson@laniertech.edu](mailto:jtolleson@laniertech.edu) or 678-341-6640.

Sincerely,

Tim McDonald, M.B.A.  
Interim President
