Dear Dr. Wheelan:

On August 2, 2019, the college sent you a letter notifying the Commission that Lanier Technical College had repackaged its Dental Hygiene AAS degree to an Associate of Science (AS) degree. The Commission responded with an acknowledgement and approval on November 14, 2019.

The State Board of the Technical College System of Georgia formally approved termination of the previously offered Dental Hygiene AAS degree program during its December 2020 State Board Meeting. This letter is to notify the Commission that Lanier Technical College is terminating the Dental Hygiene AAS degree program.

No students are currently enrolled in the Dental Hygiene AAS program. As such, no formal teach-out plan is being provided.

Please respond with a letter indicating the Commission's judgment regarding this termination.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or (678) 341-6640.

Sincerely,

Tim McDonald, Interim President

Commission on Colleges

Dear Dr. Wheelan:

Please be advised that Lanier Technical College has repackaged the curriculum of our Associate of Applied Science (AAS) degree in Dental Hygiene to be offered as an Associate of Science (AS) degree. This program is offered at our main campus in Hall County, with the transition planned for spring semester of 2020.

The content of the curriculum is essentially unchanged, though the credit hours of three courses have been reduced by one hour each, and the course numbers have been changed to distinguish them from the previous versions. In our judgment, this is not a substantive change.

Please respond with a letter indicating the Commission's acknowledgement of this change.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perten, D.S.L.
