Dear Dr. Wheelan:

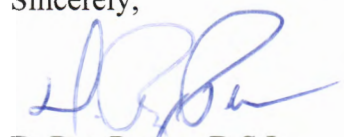

Please be advised that Lanier Technical College plans to offer its Esthetician Technical Certificate of Credit programs at Lanier Charter Career Academy (LCCA) beginning August 2018.

The program is currently approved for Lanier Technical College and is currently being offered at other LTC sites. LCCA is a previously approved site. No additional equipment, faculty, or library materials will be required. Five hundred dollars per semester has been budgeted for supplies.

Please respond with a letter indicating the Commission's judgment regarding Lanier Technical College offering this program expansion.
