Dear Dr. Wheelan:

Enclosed please find two thumb drives containing a prospectus and supporting documentation seeking the Commission's approval for Lanier Technical College to offer our Interdisciplinary Studies AAS degree program at the Forsyth Alliance Academy for Innovation, beginning August 2018.

The Alliance Academy, a high-school career academy currently under construction, will be a new site for Lanier Technical College. Lanier Technical College will be serving dual-enrollment high school students from Forsyth County schools who are enrolled at the career academy.

The prospectus and an electronic copy of the cover sheet are provided in the top level of the drives, and supporting documentation is provided in the folder labeled Appendices. All documents are in PDF format, and the drive is not password protected.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,
