Dr. Belle Wheelan  
Southern Association of Colleges and Schools  
Commission on Colleges  
1866 Southern Lane  
Decatur, GA 30033

Dear Dr. Wheelan:

I hope this letter finds you well.

I am writing to inform you that Lanier Technical College plans to offer a Fire & Emergency Services Occupation Diploma program at our main campus in Hall County Georgia and at the Hall County Interactive Fire Academy training center, beginning in January 2022.

All courses in the diploma program are embedded within our current Fire & Emergency Services Occupation AAS degree program: there is no new course content.

Both the Hall Campus and the Hall County Interactive Fire Academy training center have been approved as LTC sites by the Commission. (Note: At the time the Hall County training center was approved, the facility was named Hall County Fire Services Training Center; the county's government has since changed the name to Hall County Interactive Fire Academy.)

Should you have any questions or require more information, please contact me, or our liaison to the Commission, Dr. Joanne Tolleson, at [jtolleson@laniertech.edu](mailto:jtolleson@laniertech.edu) or 678-341-6640.

Sincerely,

Timothy D. McDonald, M.B.A.  
President
