Dear Dr. Wheelan:

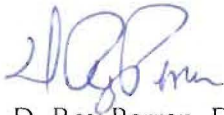

Please be advised that Lanier Technical College plans to offer the Firefighter I technical certificate of credit program at our Jackson County Campus beginning fall 2019.

Both the site and program are currently approved by the Commission. We currently offer the Firefighter I TCC program at the Hall (main) campus. LTC has ample equipment to deliver the program and dedicated lab space will be established on the Jackson County Campus.

Please respond with a letter indicating the Commission's judgment regarding Lanier Technical College offering this program expansion.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
