Commission on Colleges

Dear Dr. Wheelan:

Please be informed that Lanier Technical College plans to begin offering its approved Fire Fighter I technical certificate of credit program at our Barrow Campus and at Early College @ Jones, an approved off-campus instructional site. The proposed program offering will begin August 2017.

The program will be open to adult students at the Barrow Campus, but the purpose of the program expansion is to serve Move on When Ready (dual enrollment) students at both sites. For high school dual enrollment students, I will sign a waiver of the admissions requirement that entering students must be 18 years of age.

Please respond with a letter indicating the Commission's judgment regarding LTC offering this program expansion.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Pefferen, D.S.L.
