Dear Dr. Wheelan:

Please be informed that Lanier Technical College plans to begin offering a Full Stack Developer technical certificate of credit program at its Hall, Forsyth, Barrow, Dawson, and Jackson campuses beginning fall semester 2021.

The new program is a repackaging of existing curriculum: all eight courses in this 27-semester credit hour program are currently offered within the college's Internet Specialist – Web Site Developer and Design and Media Production Technology AAS degree programs. No additional faculty, instructional resources, or services will be required to deliver the program.

Please respond with a letter indicating the Commission's judgment regarding LTC offering this program expansion.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
President
