Dear Dr. Wheelan:

Enclosed please find a flash drive containing Lanier Technical College's substantive change prospectus to offer its Technical Specialist technical certificate of credit program for "Move on When Ready" (that is, dual enrollment) students at Gainesville High School in Gainesville, Georgia, beginning August 2017. This high school will be a new site for Lanier Technical College.

The prospectus is in the top-level directory of the drive, in Adobe Acrobat PDF format. Supporting documentation is hyperlinked from within the prospectus document and stored in the "Appendices" folder.

Please let us know when we may proceed with the program at this site or if there are any further actions the Commission believes we should take. Should you have any questions, please contact our SACSCOC liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or 678.341.6640.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Ray Perren".
