Commission on Colleges

Dear Dr. Wheelan:

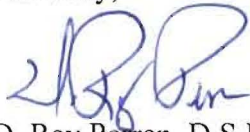

Please be advised that Lanier Technical College plans to offer courses from our Health Information Management Technology TCC program at South Forsyth High School, a new site.

Courses to be offered in fall constitute five hours of the 13-hour curriculum, or 38%.

Contingent on the Commission's approval, we plan to continue offering courses from this program at the site in January 2020 and subsequent semesters, totaling more than 50% of the curriculum. Lanier Technical College staff are currently preparing a prospectus seeking full approval for the site. The prospectus will be submitted to the Commission prior to June 30, 2019.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
