Dear Dr. Wheelan:

Please be informed that Lanier Technical College plans to begin offering a Medical Administrative Assistant technical certificate of credit program at each of its five campuses, beginning January 2018.

The new program is a repackaging of existing curriculum: all eight courses in this 24-semester credit hour certificate program are currently offered within the college's Medical Assisting diploma program; the curricula for the proposed certificate and the Medical Assisting diploma are enclosed for your review. Depending on enrollment, the college may need to hire one or two additional adjunct instructors. Aside from this, no additional instructional resources or services will be required to deliver the proposed program.

Please respond with a letter indicating the Commission's judgment regarding LTC offering this program expansion.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at [jtolleso@laniertech.edu](mailto:jtolleso@laniertech.edu) or (678) 341-6640.

Sincerely,
