Dr. Belle Wheelan, President  
Southern Association of Colleges and Schools  
Commission on Colleges  
1866 Southern Lane  
Decatur, GA 30033

Dear Dr. Wheelan:

On May 21, 2013 I mailed a prospectus applying for the Commission's approval of a Histology Technician AAS degree program.

I am writing you today to notify the Commission that based on budgetary considerations and a reconsideration of the need for the program in Lanier Technical College's service area, we have decided not to pursue development of the program. Please terminate our application for approval of the Histology Technician AAS degree program.

Should you have any questions, please contact our COC liaison, Dr. Joanne Tolleson, at [jtolleso@laniertech.edu](mailto:jtolleso@laniertech.edu) or 770.781.6950.

Sincerely,

Dr. Ray Perren, President  
Lanier Technical College
