Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

This letter is to notify the Commission that Lanier Technical College plans to offer a new Interdisciplinary Studies AAS degree program, which is a repackaging of existing curriculum: 95% of the curriculum (58 out of 61 hours) is existing curriculum that has previously been offered by the college. One three-hour course, ARTS 1101 Art Appreciation, has not previously been offered, but is scheduled for delivery fall 2017. We plan to begin offering this program summer 2017 at each of our five campuses: Oakwood (Main), Forsyth, Barrow, Dawson, and Jackson.

Please respond with a letter indicating the Commission's judgment regarding LTC offering this program.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Ray Perren".
