Commission on Colleges

Dear Dr. Wheelan:

I hope this letter finds you well.

Please be advised that Lanier Technical College plans to begin offering five technical certificate of credit programs for dual enrollment students at Jefferson High School in Jackson County in the fall semester of 2020.

The programs to be offered are:

- Firefighter I TCC
- Criminal Justice Specialist TCC
- Early Childhood Care and Education Basics TCC
- Nurse Aid TCC
- Engineering Technology Fundamentals TCC

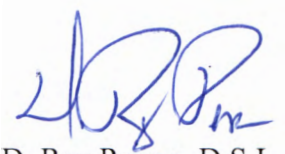

The site and each of the programs have been previously approved by the Commission.

The Firefighter, Nurse Aid, and Engineering Technology programs will require equipment and supplies at the off-campus site. The high school is currently in the process of acquiring the equipment and supplies that LTC's Program Coordinators has indicated are necessary. We are confident that we can offer quality, college-level instruction at this site.
