Dear Mr. McDonald:

Thank you for submitting the following substantive change:

Substantive change:

Program Closure

Technical Certificate of Credit in Logistics Coordinator

Submission date:

12/16/2021

Intended Implementation date:

11/1/2021

Case ID:

SC017365

Your letter dated December 17, 2021, provided notification of the closure of the program, effective November 1, 2021. When an institution closes a program or instructional site, it has an affirmative obligation to seek closure approval from SACSCOC at the time the closure decision is made.

As noted in the teach-out plan, the institution did not launch the program or enroll students. There are no students to inform of the closure.

No faculty were hired to teach in the program; therefore, no faculty are impacted by the closure. Staff were informed of the closure by email from the Vice President of Student Affairs.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the late closure of the Technical Certificate of Credit in Logistics Coordinator.

Should you need assistance, please contact Dr. Denise Y. Young at (404) 492-5386 or via email at dyoung@sacscoc.org.
