Dear Dr. Wheelan:

Enclosed please find two thumb drives containing a prospectus and supporting documentation seeking the Commission's approval for Lanier Technical College's move to a new main campus. A new, six building, 95-acre campus is currently under construction; the existing main campus will be turned over to the University of North Georgia. The project timeline calls for classes to begin at the new campus on January 22, 2019.

The prospectus and an electronic copy of the cover sheet are provided in the top level of the drives, and supporting documentation is provided in the folder labeled Appendices. All documents are in PDF format, and the drive is not password protected.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
