Dr. Ray Perren
President
Lanier Technical College
2990 Landrum Education Drive
Oakwood, GA 30566

Dear Dr. Perren:

Thank you for your letter of January 19, 2016, notifying the Commission of your intent to offer three new programs in Mechatronics Technology:

- A.A.S. in Mechatronics Technology—62 semester credit hours; 13 hours new
- Diploma in Mechatronics Technology—49 semester credit hours; 11 hours new
- Technical Certificate of Credit (TCC) in Mechatronics Technician—12 semester credit hours; four hours new

The proposed programs will be offered at the Barrow Campus beginning August 2016, and will primarily use existing courses in the approved Industrial System Technology program.

The programs do not appear to be a significant departure from approved programs and are not considered a substantive change.

We accept the notification and require no additional information.

Best regards,

Belle S. Wheelan, Ph.D.
