February 25, 2019

Dr. Belle Wheelan
Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

Please be advised that Lanier Technical College plans to offer a revised version of our Nurse Aide Technical Certificate of Credit Program, beginning May 2019, at our main Hall County Campus and our off-campus instructional sites in Forsyth, Barrow, Dawson, and Jackson County.

The revised curriculum was developed by Nurse Aide faculty from multiple colleges within the Technical College System of Georgia, with the aims of rationalizing and modernizing content while streamlining the course offerings to allow graduates to enter the workforce in a more timely way.

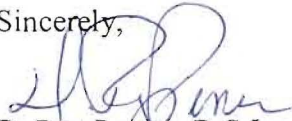

One two-credit-hour course in the revised curriculum of this 10-hour program – ALHS 1113 Introduction to Healthcare Professions – is new content for the Nurse Aide program, though it has been offered in other Allied Health programs offered by the Technical College System of Georgia. Thus, 20% of the revised program represents new content.

All five sites where the program will be offered have previously been approved by the Commission.

Please respond with a letter indicating the Commission's judgment regarding Lanier Technical College offering this program expansion.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
President
