Dr. Belle Wheelan
Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

I hope this letter finds you well.

Please be advised that Lanier Technical College plans to begin offering our PC Repair & Network Technician technical certificate of credit program at the Ivester Early College, in the fall semester of 2021. Both the program and the site have previously been approved by the Commission.

Lanier Technical College will purchase the equipment that our faculty have indicated will be needed to supplement what is available in the high school's lab, and we are confident that we can offer quality, college-level instruction at this site.

Should you have any questions or require more information, please contact me, or our liaison to the Commission, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or 678-341-6640.

Sincerely,

D. Ray Perren, D.S.L.
President
