Dear Dr. Wheelan:

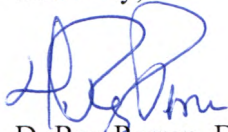

It has come to my attention that a letter we sent you on April 30, 2020, contained a significant error.

The letter was intended to notify the Commission that Lanier Technical College is to begin offering our Pharmacy Technology technical certificate of credit program at the Lanier College & Career Academy (LCCA), in the fall semester of 2020. However, we mistakenly referenced our Industrial Electrician TCC program in the first paragraph, while correctly referencing the Pharmacy Technician program in the second paragraph. (See enclosure.)

Please respond with a letter indicating the Commission's acknowledgement of this change.

Should you have any questions or require more information, please contact me, or our liaison to the Commission, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or 678-341-6640.

Sincerely,

D. Ray Perren, D.S.L.
President

Dear Dr. Wheelan:

I hope this letter finds you well.

Please be advised that Lanier Technical College plans to begin offering our **Industrial Electrician** technical certificate of credit program at the Lanier College & Career Academy (LCCA), in the fall semester of 2020. Both the program and the site have previously been approved by the Commission.

LCCA is currently purchasing the equipment our **Pharmacy Technology** Program Coordinator has stated as necessary, and we are confident that we can offer quality, college-level instruction at this site.

Should you have any questions or require more information, please contact me, or our liaison to the Commission, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or 678-341-6640.

Sincerely,

D. Ray Perren, D.S.L.
