Dear Dr. Perren:

Thank you for your letter of July 11, 2017, providing notification that the College will offer the A.A.S. in Pharmacy Technology degree program, effective January 2018.

The program is a repackaging of existing courses offered already by the College and will not require significant additional resources. As such, it is not considered to be a substantive change requiring approval.

**We acknowledge the information and will add it to our files.**
