Dear Dr. Wheelan:

Lanier Technical College plans to offer its Phlebotomy Technician TCC program at our Dawson Campus, beginning January 2017.

The Dawson Campus is an approved LTC site, and was included in our most recent compliance certification. The Phlebotomy Technician program is currently offered at our Oakwood and Forsyth campuses. As such, no new curriculum is being offered.

Please respond with a letter of notification indicating the Commission's judgment regarding offering this program at an additional location.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,
