Dear Dr. Wheelan:

Lanier Technical College plans to offer a Photographer Technical Certificate of Credit program at our Oakwood and Forsyth campuses, beginning January 2017.

The proposed program is primarily a repackaging of courses currently offered in our Design & Media Production Technology AAS degree program: 85% of the semester hours in the Photographer certificate are currently offered as part of the curriculum for Design & Media Production.

Please respond with a letter of notification indicating the Commission's judgment regarding this proposed program addition.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Ray Perren", is written over a light blue circular stamp.

D. Ray Perren, D.S.L.
President
