Dear Dr. Wheelan:

Please be advised that at the direction of its governing board – the State Board of the Technical College System of Georgia – Lanier Technical College has changed the name of two academic awards.

The Machine Tool Technology AAS degree and the Machine Tool Technology diploma program have been renamed as the Precision Machining & Manufacturing AAS degree and the Precision Machining & Manufacturing diploma. Curriculum content for both programs is unchanged.

This change is effective at the start of the fall 2018 semester.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or (678) 341-6640.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Ray Ferren", is placed over a light blue rectangular background.

D. Ray Ferren, D.S.L.
President
